JUNE

Here is still very attractive, both as regards styles and prices. We are showing one of the best assorted stocks in Eastern Canada, and prices are as low and lower, than Departmental Humbugs.

Why citizens of Napanee send out of town for their Dry Goods we cannot tell; it is not because goods are high-priced in Napanee.

To every house here, and the purchaser of every 10c worth of goods is entitled to a coupon. When their book is filled you are entitled to \$3.00 cash. Don't believe the yarns some of our competitors have been telling, that our prices have been advanced to meet this expense, because there is not a word of truth in it; they are simply guessing. We mind our own business here, and devote our attention to giving our customers the best value possible, and at the same time best attention.
